GONE BUT NOT FORGOTTEN

Here is a bit of brilliant nostalgia in these photos of the Hobie Cat Annual Regatta sailors preparing for their races for 1989. Only a couple of years ago, these races painted our Mattapoisett harbors in bright colors and exciting action drawing weekend-long interest even from people who were not normally interested in sailing. Suddenly, in spite of the liking of the Hobie sailors for our harbor, they are gone. These

recommendations will be given to the Finance Committee to comply with a request to all town departments to find places to cut their budgets after the town government operational override was defeated for the second time.

The Chief stressed there will be no loss in police response to emergency calls nor any loss in safety to town residents.

Chief Moran informed Selectmen all communication lines will be transferred from the present station to the new police station on Friday, and will be in full operation on Saturday, July 29th.

With the Police Department budget level funded at the fiscal 1989 figure of $598,759 and not the requested $630,209 for fiscal 1990, there will be a $31,450 reduction with no wage increases, new station expenses and $7,400 to buy back a retiring officer's sick leave.

Among the cuts recommended the total is $23,112, and added to the level funded $31,450, the total will be $54,562. They will include:

$5,000 - from the Water Street beat. This beat, from 8 p.m. to 2 a.m., covered the village center, wharf area, library, boats and the Mattapoisett Inn closing hours.

$2,200 - from the Safety Officer's budget

which covers safety talks at the elementary schools and bicycle safety programs.

$2,500 - from the court witness fees account. Previously, an arresting officer took time to go to court; this will no longer by necessary, as the public prosecutor will handle the case.

$6,412 - Sick day benefits account. Police officers are supposed to receive 12 days of sick leave a year but the budget provides for only eight. The new cuts will provide only five days per officer per year.

$3,000 - The overtime budget will be kept to a minimum of overtime hours.

$4,000 - Transferred from the ambulance wages and salary account to maintenance of the new police station.

In response to Selectmen's inquiry on the unrest at the fire department, Chief Wood said, "I polled everybody and the firefighters were upset that I didn't tell them of my request to make Leroy Jones a Training Officer. Other than that there aren't many problems. I admit part of the problem is my fault, but we all make mistakes. Some firefighters were upset about which fire truck is used. I have to use the tools I feel will do the job. I shouldn't be questioned by the men."

The Chief related a conversation he had with a woman from Stoughton who expressed her concern for her mother in Mattapoisett to the Stoughton Fire Chief. The Stoughton Chief told her that Mattapoisett has the best call fire department in the state. We must be doing something right", he said.

ACCEPTED WITH REGRET the resignation of Peter C. Scott from the Fire Department, effective July 21.

A call firefighter for over 16 years, Mr. Scott said in his letter it was a difficult decison to make and he has many memories to take with him. Because of increasing demands of his business he feels he can no longer contribute one hundred percent to the fire department.

"I enjoyed my years of service, and was proud to help my town, and took pride in the department, station and equipment. It's what helped make this town

special. Everyone working together for the common good of the town, but now there is too much politics, too much unrest, and a lot of controversy. It makes doing the job you were trained for impossible to do. Fighting a fire takes close team work. Without it, the dangers are unlimited. That teamwork is no longer there, the department needs some serious changes, and with the pressure of everyday living and running my own business, I feel I can not waste time and energy on childish squabbling."

NOTED THERE WILL BE a Special Town Meeting on August 9th at Old Rochester Regional High School at 7:30 p.m. for a one article warrant for the purpose of approving the Old Rochester Regional School District budget for fiscal 1990.

On the same date, the Board of health had scheduled an open informational meeting for the purpose of hearing the proposal regarding EAC Operations, Inc. (affiliate of the SEMASS Resources Recovery Facility) to take over the operation of the Mattapoisett Sanitary Landfill.

Because of the conflict, Selectmen Chairman Bernard F. Talty said he was concerned as voters cannot be in both places at the same

time. Both are important. "Perhaps we can come up with some alternative before August 9th. The special town meeting has to be held within a certain time and is a legally advertised date and we cannot change that date," the Chairman said.

(Since the Selectmen's meeting, the informational meeting on the Sanitary Landfill has been rescheduled to August 16th and will be held in the Town hall Conference Room at 7:30 p.m.)

Information received from the Board of Health from facts and figures compiled by Tighe and Bond Engineers indicates that Mattapoisett's cost for operating the sanitary landfill from 1989 to 1993 on its own would be $1.8 million versus $135,000 if the town worked with EACO (this $135,000 figure excludes collection costs).

Projected Mattapoisett solid waste costs annually after 1993 excluding collection costs would be $315,000 per year with Mattapoisett operating the landfill with SEMASS versus $125,000 per year with SEMASS operating alone. This information will be presented in detail at the informational meeting.

by Police Safety Officer R. Stanley Ennis.

Officer Ennis said, "I feel it is important that something should be done to make it a safer intersection, and prevent further accidents. The double solid lines which indicate that the road turns to the right have worn away. I feel that a four-way stop sign is necessary as the road carries much more traffic."

Selectmen noted the state has to survey and approve any four-way stop signs; and at this time the state says this type of sign is illegal. They will take the recommendations under advisement.

WILL SCHEDULE a September meeting with representatives of Cafeteria Plans Advisors Inc. of Boston regarding their availability to perform as administrator for a cafeteria plan of employee insurance coverage. (This would be a replacement for Blue Cross/ Blue Shield presently held by the Town, if the town chooses to change its plan.)

The towns of Yarmouth and Wareham have adopted this form of coverage. Because of the continuing increase in Blue Cross/ Blue Shield coverage, Selectmen agreed to invite a representative to discuss the plan's coverage. Following the meeting, Selectmen will consider a suggestion from Town Administrator Lois K. Ennis to form a subcommittee to check in depth into the two plans. She noted there has been a lot of dissatisfaction with Blue Cross.

20 he inspected the Stratton Finishing Inc. at 22 Harbor Road and it was apparent that the business equipment and much of the stock was already moved out. All the electricity was removed from the electrical panels, with service to be cut in the near future. All of the spray booths were dismantled, as was the heating system. "I am of the opinion it would be nearly impossible for anyone to operate a business under the present conditions", and that the owner is making every possible effort to vacate the premises.

The Building Inspector also informed Selectmen he has reviewed Mr. Donald Linhares' attorney's letter regarding Mr. Linhares' application for a building permit and agreed with the evidence that was presented to the Board of Appeals regarding the issue of frontage to serve access to the building. Previously, the Appeals Board had denied Mr. Linhares a building permit to make mixed Uses (residential and business) at Wanderer's Way (in the rear of 19 County Road). The Inspector gave Mr. Linhares instructions on requirements to obtain a building permit.

responsibility to hook up to the common sewer at the Grange Hall on the corner of Route 6 and Main Street.

Attorney Fleming wrote that from speaking to the Water/Sewer Department he learned the apartment building was not hooked into the town system. "I understand that this comes at a rather bad time for the partnership in light of the fire; however, the matter has to be addressed. There is an outstanding order by the Board of Health that all abutters must hook into the sewer."

Secondly, Mr. Fleming wrote, "Under the terms of the July 5, 1984 deed to the partnership, I understand the language to 'One Fairhaven Road Associates' requires it to restore the premises to their original exterior design. Mr. Goddu has publicly announced that this is the intention of the partnership; however, I recommend that he coordinate that effort with the Board of Selectmen."

AUGUST EXHIBIT

ELEGANT is a good adjective for the exhibit this month at the Museum. The best of the Society's collection of clothing dating from 1840 to 1930 has been cleaned, brushed, steamed, pressed and put on display for the public's inspection and enjoyment.

Today's "liberated" woman can be grateful that she is freed of the whale-boned and restraining fashions of yesterday. However, the beautiful workmanship that was put into the making of these clothes is to be admired.

The Museum is open Tuesday through Saturday, 1:00 to 4:30 p.m. Admission is $2.00 for adults and $.50 for children. Members and their guests are free.

Located at Church and Baptist Streets in Mattapoisett, the Museum is air-conditioned for everyone's comfort including the mannequins.

residents enable the agency to continue to provide high-quality home health care, community education programs, well-child and blood pressure clinics, in spite of rising costs and unpredictable government funding.

Chairing the 1989-1990 Fund Drive is Dorothy Verville. Co-chair is Eleanor Peterson. To kick off the campaign, a mailing is being sent to residents of Marion, Mattapoisett, and Rochester. Residents not contacted through this mailing may send contributions to Marion Visiting Nurse Association, Inc., Box 364, Marion, MA. 02738.

Questions concerning the agency's services may be answered by calling the office located at the Sippican School. The telephone number is 748-1020.

poisett are keeping the special feeling with their donation last Tuesday to the Board of Selectmen of whaling tools recovered from the bark "Wanderer" that was wrecked off Cuttyhunk August 26, 1924. At that time, a New York salvage company brought up the artifacts, some of which went to the late Willis Munro of Mattapoisett and some to Mr. Flodin.

In addition to the set of whaling tools an anchor from the "Wanderer" was donated and will be placed on the grass next to the flagpoles at the new police station. The anchor weighs an estimated 1200 pounds and will be moved when the Highway Department can place granite blocks on the grass to hold the anchor for display.

The tools are on display in a glass case in the Town Hall lobby which was set up by Selectmen William F. Hubbard and John N. DeCosta. The tools can be viewed by the public during Town Hall hours.

Both 81 years of age, the Flodins are known affectionally by their friends as Cliff and Lynn. At one time, Mrs. Flodin operated the Anchor Real Estate broker business from their former home at 31 Water Street when the anchor was displayed in their front yard.

by the new police station several times and asked himself what he could do in appreciation to the town for the new police station. He felt this would be a good place for the big historic anchor to remain in Mattapoisett. He went home, he said, to discuss it with his wife and daughter, Ms. Eunice Potter, both of whom wholeheartedly endorsed his idea for the anchor's move.

The Board of Selectmen presented the Flodins with a certificate of appreciation for the donation of the gift of whaling artifacts. Selectmen Chairman Bernard F. Talty and Selectmen Hubbard and DeCosta expressed their personal thanks for the donation to the town.

The bark "Wanderer", built in Mattapoisett and launched on April 16, 1878, was the last whaleship to be built in Mattapoisett shipyards and one of the last whalewhips to sail from New Bedford. The mast from the "Wanderer" graces the lawn at Shipyard Park on the wharf.

As Mr. Flodin remarked, these tools and anchor from the 'Wanderer' which was built in Mattapoisett should remain in Mattapoisett with the whaleship's mast.

Taber Library Book Sale

Preparations for the annual Book Sale for the benefit of the Elizabeth Taber Library in Marion are in full swing and progressing very well. The sale will be Saturday, August 19th, from 10:00 a.m. to 2:00 p.m. at the VFW/Music Hall at the corner of Front and Cottage Streets in Marion.

Books, records and magazines are being received every day but still more are needed to make the sale a great success.

CELEBRATES 100th ANNIVERSARY

On August 13th at 3:00 p.m. a special service commemorating the 100th anniversary will be held in the Tinkhamtown Chapel at Acushnet Road and Tinkham Lane, Mattapoisett. The service will be under the leadership of the Reverend Donald H. Finley. Old favorite hymns will be on the program played by the organist, Stephen Tinkham. Refreshments will be served following the service. A special invitation is extended to former members of the Tinkhamtown Helping Hand Society and members of the Tinkhamtown Improvement Association. The public is also invited..

Several weddings have been held at the Chapel over the years and it is available to all those not affiliated with another church. More information can be obtained by calling 758-2322 or 758-6249.

Matt. Housing Authority

HISTORY

The Mattapoisett Housing Authority (MHA) was organized by a town vote in 1948 in order to develop affordable rental housing for Mattapoisett veterans of WW II. These houses were built in 1950 and are located at Homestead Court. Housing authorities are a legal autonomous body set up and regulated by M.G.L. 121B with four members elected by the town voters and one Governors' appointee. The present Commissioners are: Chairperson, Marlene O'Neill; Vice-

Chairperson, Roger Thompson; Treasurer, Eleanor Contant; Assistant Treasurer, Roy Andrews; Affirmative Action Officer, Elizabeth Smith. June Mendell is the appointed Executive Director. The purpose of MHA is to provide clean, safe, decent, sanitary housing for low and moderate-income citizens in the town of Mattapoisett.

In responding to the need for more affordable units for the elderly and families in town, the MHA applied for a grant from the Executive Office of Communities & Development in March 1988. Under EOCD requirements, programs for housing the special needs (mentally ill or mentally retarded) had to be developed in conjunction with the other units in order to receive any grant. An initial planning grant was awarded to MHA in June 1988 for $7,500. to enable MHA to retain professional consultants to identify and/or evaluate sites for these three programs. If MHA was successful in completing site selection within 180 days of the contract award, they would then receive a full award of $2.04 million for the development of the elderly and family units with a separate award for the special needs housing.

MHA has been working very diligently to select sites for 18 units of congregate elderly, twelve family units and one building to house 8 mentally ill adults.

Over the next several weeks, the Advisory Committee will publish descriptions of each of these programs in the newspaper. We hope to organize a public forum to address questions and concerns about these programs. The specifics will be announced when all the plans are completed with speakers. We would appreciate hearing your questions. Please write to the Advisory Committee, c/o MHA, 1 Acushnet Road, Box 53, Mattapoisett, MA. 02739.

Area Students

NAMED TO DEAN'S LIST

Alicia Potter, daughter of Arthur and Cecilie Potter of Mattapoisett, has been named to the Dean's List at Simmons College in Boston for the spring semester.

While at Simmons, Ms. Potter has participated in the Freshman Honors Program, and has been a member of the Freshman Orientation Committee and Sidelines, the College's literary magazine, staffs. She is a graduate of Old Rochester Regional High School and will be a junior at Simmons this fall.

AWARDED RENSSELAER MEDAL

Rensselaer Polytechnic Institute has announced the names of High School students who have been awarded the Rensselaer Medal.

A recipient from this area is David Howard, son of Dr. and Mrs. John B. Howard of Marion, a student at Tabor Academy, Marion.

Each year Rensselaer presents the Rensselaer Medal to high school students for outstanding achievements in the study of mathematics and science during their junior year. One junior from each of approximately 1,700 high schools is selected to receive the award.

Veterans' Up-Date

Veterans and active duty personnel who have dual eligibility under the Vietnam Era GI Bill and the Montgomery GI Bill must submit a claim for Montgomery GI Bill benefits in order to receive educational assistance after December 31, 1989.

According to John Montgomery, Director of the Providence Regional Office, the only requirement is a signed statement expressing the veteran's intention to receive Montgomery GI Bill benefits. This statement may be attached to the veteran's Application for Educational Assistance, VA Form 22-1990 or the Enrollment Certification, VA Form 22-1999 submitted by the college or school.

Veterans with dual eligibility include persons who first went on active duty or entered a delayed enlistment program prior to January 1, 1977 and who served continuously on active duty from October 19, 1984 to release from active duty. Generally, only those veterans released from active duty after June 30, 1988 are eligible for the Montgomery GI Bill.

Those persons with dual eligibility will receive the appropriate Vietnam Era GI Bill rate through December 31, 1989.

Music at the Meetinghouse

"OLD TUNES" ORCHESTRA

Johnny Couto's "Old Tunes" Orchestra will provide the entertainment for the final concert of the "Music at the Meetinghouse" series, to be held Saturday, August 12th, at 7 p.m. at the Long Plain Friends Meetinghouse, 1341 Main street, Acushnet.

The popular outdoor series winds up its second season of free concerts on the lawn of the venerable (1759) Quaker meetinghouse (presently being restored) with a program of all-time hits, show music and other old favorites.

The free refreshments and free music under the serene skies of Acushnet are offered by ACTION and the Friends of the Friends Meetinghouse, with the entertainment provided by the Greater New Bedford Association of Musicians under an Arts Council grant. The public is reminded to bring folding chairs, blankets, and the whole family.

ter on Thursday, July 27th, to study river and estuary issues as part of an intensive, five-week environmental exchange program.

The program titled International Conservation Exchange was sponsored by the Atlantic Center for the Environment and was designed to allow participants to meet and interact with leading professionals from environmental organizations throughout New England. Another focus of the program was to expose the participants to volunteer citizens' groups active in environmental protection at the local level.

The Lloyd Center, an environmental research and education organization hosted a day-long session on river and estuary issues and how water resources affect the local economy. Included on the agenda was a presentation of two Lloyd Center programs and projects, the Paskamanset Scenic Rivers Research Project and a curriculum developed by the Center titled "Farms to Fish". During their stay in the area the international group also met with the Westport River Watershed Alliance, a river conservation group, to share ideas and approaches in environmental protection efforts.

After spending a day in southeastern Massachusetts the group was scheduled

As the group of exchange students study conservation issues, participate in round table discussions with conservation professionals, take part in practical conservation projects and share ideas with counterparts from other countries, the program cannot help but promote and encourage conservation efforts worldwide. As the Atlantic Center recognizes, "People and institutions working to promote conservation in different parts of the world have much to learn from each other."

The Lloyd Center echoes this sentiment and is proud to play a role in this exchange program to further the goal of natural resource conservation.

Letter to The Editor

"NO COAL" is the watchword of a new group recently formed to combat the two proposed coal-burning power plants in New Bedford's Industrial Park.

The first order of the day was to find itself a name. The result: "Greater New Bedford NO-COALition" (read "NO-COAL Coalition").

The NO-COALition is opposing the coal-burning plants because, it contends:

1. Coal-burning produces more carbon dioxide and nitrous oxide than any other energy source. These two gases are among the principal causes of the "greenhouse effect", the building up of a cover of heat-trapping gases in the Earth's atmosphere leading to the warming of the planet.

2. Coal-burning gives off the highest levels of sulphur dioxide of all the energy sources. This gas is the principal culprit in the production of acid rain, which is considered to be the cause of the death of ponds, lakes and streams throughout New England (coming from coal burning plants in the mid-west).

3. Coal-burning gives off tons of noxious particulates (dust) and other gases, all considered harmful to the human respiratory tract.

4. New England is a fishing port whose economy depends to a great extent on products derived from nearby ocean waters. The tons of noxious particulates and gases produced by a coal-burning plant, even with the best "state-of-the-art" technology, must certainly have an adverse effect on the plankton and small fish and sea life that are the food of the larger fish sought by our fishing boats, given the prevailing winds.

5. Again considering the prevailing winds, and the location of these two proposed plants, their operation must adversely affect the health of everyone living in the region, from Westport to Wareham and from Buzzards Bay to Bridgewater.

6. Better solutions for our energy needs already exist - natural gas, the cleanest of the fossil fuels, hydroelectric power from Canada and other renewable

sources of energy, and finally, a campaign of conservation, which, if properly carried out, could make all new generating plants unnecessary, at least for the next few years.

Although the people's health and New Bedford's economy are of vital importance, from a long term point of view the "greenhouse effect" may be the worst result of the prolonged burning of fossil fuels such as coal. The global warming caused by the greenhouse effect could flood the world's coasts and turn our fertile farmland of the midwest into deserts, due to the melting of the icecaps. Scientists predict that, if drastic steps are not taken soon, global temperatures will rise from 3 to 9 degrees over the next 60 years. This could completely flood all our beaches, cause the disappearance of Cape Cod and put the New Bedford waterfront on County Street.

Plymouth Art Show

The Plymouth Guild Art Show will take a slightly different twist for 1989 as the show moves indoors for the first time in its 23 year history. Plimoth Plantation will serve as host for this juried art exhibit which will feature the works of artists from all over New England.

In 1988 over 7,500 visitors enjoyed this popular annual event.

The show opens on September 23rd in the Plantation's Visitor Center. Over 200 pieces of artwork will continue on display daily, 9 a.m. to 9 p.m. through October 1st. Admission to the show is free.

Over $2,000 in prizes will be awarded in 10 categories including Painting (oil/acrylic, watercolor), Drawing, Photographs (color, black & white), Mixed Media, Craft (functional, non-funcational), Three Dimensional and Children (under 18).

Interested artists may register their works on Sunday, September 17th, from 9 a.m. until 6 p.m. at Plimoth Plantation's

Barn at Heritage Plantation.

The Oriole Basket is a deep melon-type basket made with hickory hoops, woven with rattan and overdyed with tea. The current name presumably comes from its resemblance to the oriole's hanging sack-like nest, but it was formerly called a Kentucky egg basket or jug basket.

Stanton is from Pembroke. She weaves functional baskets that hold and swap space with form using mostly vines and trees indigenous to New England. Her baskets show a sense of rhythm and order with their smooth clean lines and powerful shapes. Stanton has taught many basket making classes at Heritage Plantation.

Materials to make this basket, one of the oldest forms from the Appalachia region, will be supplied by the Museum. A brief list of tools to bring to class will be sent to those who participate. The cost for Heritage Plantation members is $35.00; non-members, $50.00. Please register by calling the Education Office, 888-3300, extension 22.

program helps southeastern Massachusetts residents find new and challenging careers while providing professional support to the mentally ill, according to Cheryl Cawley, program director at BCC.

Program participants earn thirteen college crdits and become certified in both first aid and cardio pulmonary resuscitation (CPR) said Cawley. "Throughout the program students develop resumes and work as interns in various clinics and group settings. These interns will fully understand the career they've chosen and be able to commit themselves to the field. Once certified, these MHAs will be ready for permanent positions best suited to their talents and interests", said Cawley.

The training program begins September 11 and runs through January 19, 1990. Classroom instruction and internships run Monday through Friday from 9 a.m. to 3 p.m. Individuals interested in the program or more information should call Cheryl Cawley at Bristol Community College at 678-2811, ext. 275 or ext. 270.

ST. JUDE'S NOVENA
May the Sacred Heart of Jesus be adored, glorified, loved and preserved throughout the world now and forever. Sacred heart of Jesus, pray for us. St. Jude, worker of miracles, pray for us. St. Jude, help of the hopeless, pray for us.
Say this prayer 9 times a day. By the 8th day your prayer will be answered. Say it for 9 days. It has never been known to fail. Publication must be promised. Thank you St. Jude. D.P.

so that students may fit three courses into Newbury's standard 14-week trimester. The Saturday schedule will also provide students who live out of the immediate area with a convenient way of earning college credits.

Information about the program, as well as about deferred tuition and financial aid, may be had by calling 996-3138 or visiting the Administration Office at 995 Rockdale Avenue, New Bedford. Career counseling and placement testing are also available. Counselors are available for both day and evening appointments.

Newbury College, a two-year college, is accredited by the New England Association of Schools and Colleges, and offers over 30 programs of study in many locations throughout eastern Massachusetts.

good craftsmanship, will appreciate this opportunity to create oval boxes in the Shaker Tradition. Participants will explore every phase of oval boxmaking; working from patterns, they will learn to cut hardwood veneers, bend box bands, fit tops and bottoms and form handles for carriers. The workshops give students hands-on experience in making a nesting set of five oval boxes and a carrier.

Mr. Wilson has spent a decade as a working craftsman in wood. For the past five years he has been a boxmaker and a teacher of the oval box workshop. He has taught at the Smithsonian Institution, the New York State Historical Association, Fruitlands Museum, the Mt. Lebanon, Enfield and Sabbathday Lake Shaker Villages and has been as far as England with his specialty, encouraging the growth of this traditional craft. The two-part workshop is planned to serve those people who are not available for classes during the work week. The fee includes all necessary materials. The cost is $85.00 for members, and $100.00 for non-members. Please call 888-3300, extension 22 to register.

Heritage Plantation is three miles from the Cape Cod Sagamore Bridge, exit on Route 6A, then go right on Route 130 to Pine Street and the Museum.

Birds of Sachuest

Join Lloyd Center researcher John Hill as we explore the wonderful birdlife of Sachuest National Wildlife Refuge, Portsmouth, Rhode Island on a free weekly walk offered by the Lloyd Center for Environmental Studies. This walk will be held at 9:00 a.m. on Sunday, August 6th, and will end at approximately 11:00 a.m. Although there is no fee for this program, registration is required. To register call the Lloyd Center at 990-0505 during regular business hours.

Birds which we may see on this walk include little blue and great blue herons, glossy ibis, black bellied plovers, dowitchers, red knots and other sandpipers, several species of sparrows and waterfowl of a variety of kinds. Sachuest is an outstanding location for birding throughout the year and rare birds are often observed from this peninsula. Last summer, for example, a flamingo was spotted in the area.

Directions to Sachuest will be given when you call the Lloyd Center to register for this program. For additional information call the Lloyd Center at 990-0505.

Magician Danny Orleans and his assistant, Jan Rose, turn their special blend of magic, music and a nice mix of audience participation into a real crowd-pleasing event for both children and adults.

A former teacher, Orleans has been watching magicians perform since he was 5. He has toured the country with specially designed programs for schools and theatres.

The Zeiterion is located at 684 Purchase Street in historic, downtown New Bedford.

"PETER RABBIT'S ANIMAL FAIR"

"Peter Rabbit's Animal Fair" - a day for the children - takes place in Sandwich on Wednesday, August 9th, from 10 a.m. to 3 p.m. on the grounds of the Wing Elementary School on Route 130. Peter invites all to join him for a day of fun and learning about animals during this 8th annual fair sponsored by the Thornton W. Burgess Society.

Live animal exhibits, a pet rabbit show, special demonstrations, and personal appearances by Peter Rabbit and Smokey the Bear are among the many attractions. Original games of chance based on the popular Burgess animal characters add to the fun.

Youngsters are also invited to enter

Art Show and Sale

Area artists are cordially invited to exhibit their work in the annual outdoor show and sale scheduled for Saturday, August 19th, in Russells Mills Village, Dartmouth.

Sponsored by Friends of the Dartmouth Libraries each summer for the past six years, it will be set up, as in the past, on the shaded grounds of the branch library in the historic village. A proven popular attraction, it will again be open to the viewing public at no admission fee. There is likewise no entry fee nor service charge for exhibitors; but there is a small consignment fee on work sold at

the show. Such proceeds will be used to supplement the town's appropriation for the libraries' operating budget. Fees from artwork sales at the exhibit will be tax deductible.

Once again the show manager will be veteran volunteer Doris Rowbotham of South dartmouth, herself an accomplished painter. Artists wishing to participate in the show or to learn about the details of entering and exhibiting on August 19 should phone Mrs. Rowbotham in advance at 992-6825. The show will open at 10 a.m. and close at 4 p.m.

Entries are not restricted to easel art. Photography and other forms of visual graphics, plus sculptured pieces, are eligible and welcome. In questionable cases the final decision regarding eligibility rests with the show manager.

The Friends of the Dartmouth Libraries, a non-profit group, is currently striving to raise funds to install an elevator at Southworth Library for the particular benefit of the handicapped and the elderly. For information regarding how and where to contribute to this project, prospective donors are kindly invited to phone the Friends president at 992-7926.

MARTHA'S VINEYARD
YOUR ISLAND NEXT DOOR

The unspoiled charm and proximity of Martha's Vineyard Island make it a favorite getaway. No matter how long your visit, the Island has much to offer anyone looking for a quiet retreat or a fun-filled time. Part of the fun of visiting the Island is sailing aboard the Ferry Schamonchi. Since it departs from historic New Bedford, the Schamonchi offers the convenience of avoiding Cape Cod traffic. You'll sail in comfort during the 1½ hour cruise - roaming three decks or eating at the snack and cocktail bars.

DIRECTIONS

From Route I-195 take Downtown Exit 15 (Route 18 South). Continue on Route 18 to third set of lights, turn left and follow signs to our day and overnight parking lot across the street from the Schamonchi Dock and Billy Woods Wharf. Limited Shuttle Bus Service available to the Elm Street garage.
